

SUMMER CAMP

@ DOBBINS

Troop 114G is going to Camp Cris Dobbins at Peaceful Valley for Summer Camp 2025! Located at over 7,000 feet with sweeping views of Pike's Peak and the Rocky Mountains, Dobbins offers a traditional dining hall style summer camp with a level of enthusiasm and Scout Spirit that can't be matched. Scouts *love* Dobbins.

This will be a 7-day trip with travel included in those days. Younger scouts must attend at least two weekend camps without their parents prior to July to help ensure they are adequately prepared. Cost includes camp registration and transportation. Scholarship opportunities are available.
